AAAC 2024 CALL FOR PAPERS

AAAC 2024

The 15th Annual Meeting of Asian Association for Algorithms and Computation (http://www.aa-ac.org/) will take place on May 31 and June 1, 2024 at Osaka, Japan. We invite submissions of abstracts presenting original research or surveys of existing results in theoretical computer science. The meeting is a face-to-face event, and at least one author of each submission is expected to register and give the talk at the venue.

Topics

All areas of theoretical computer science, especially design and analysis of algorithms and complexity theory.

Submissions

Authors are invited to submit one-page (A4) abstracts (in pdf format) that can be based on original results or surveys of existing results of authors. Informal working notes including the one-page abstracts will be distributed at the meeting, which does not prevent any form of future publication of the same work. All submissions should be made electronically through the EasyChair Conference System.

Important Dates

- Submission due: March 10 (Sun), 2024   (AoE)
- Notification: April 10 (Wed), 2024
- Camera-ready version due: April 20 (Sat), 2024
- Early Registration due: April 27 (Sat), 2024
- Conference Dates: May 31(Fri)- June 1(Sat), 2024

Best Student Presentation Award

The Best Student Presentation will be awarded. A paper presentation is eligible for the Best Student Presentation if the author who presents the paper is a full-time student. Best student presentation award will be selected at the meeting by AAAC board members.
